Caption & Hook Workbook

Prompts to help you write clearer social posts without sounding generic.

Hook formulas

Formula	Example starter
Specific benefit	Here are 3 ways to make ___ easier.
Common mistake	One mistake people make when ___
Before / after	I used to ___; now I ___.
Quick tutorial	Try this simple 3-step method for ___.
Question	What is the hardest part of ___ for you?

Caption structure

1. Opening line: earn attention. 2. Context: explain why the topic matters. 3. Value: share one useful idea. 4. Action: invite a reply, save or next step.

Fill-in prompts

My audience is: _____. They struggle with: _____. One practical tip I can share: _____. The next action I want: _____.

Quality check

Is it specific? Is it honest? Does it sound like me? Can a reader understand the point in five seconds? Remove unsupported claims and irrelevant hashtags.
