brightkit.

Small Business Weekly Planner

A simple operating rhythm for owners and solo operators.

Weekly priorities

Priority	Why it matters	Owner	Due date	Done?

Daily pulse

Day	Top task	Customer follow-up	Money/admin	Notes
Monday				
Tuesday				
Wednesday				
Thursday				
Friday				
Saturday				
Sunday				

End-of-week review

What brought revenue? What created avoidable work? Which customer needs a follow-up? What is the single most important improvement for next week?

BrightKit starter resource. Adapt the examples to your needs. This template is educational and is not legal, tax, financial or professional advice.
