Career Launch Bundle

Includes: 06 Professional CV Workbook, 07 Interview Preparation Workbook.

What this bundle helps you do

Prepare a truthful, role-specific CV, then use the interview workbook to organise evidence and thoughtful questions.

Included files

Includes: 06 Professional CV Workbook, 07 Interview Preparation Workbook.

Getting started

Download the listed files from your purchase library. Save a fresh copy for each project, trip or planning period. Keep your original blank templates unchanged so you can reuse them.

Licence reminder

Use according to the product licence provided by the seller. Do not redistribute or resell the original files unless the licence explicitly permits it.

BrightKit starter resource. Adapt the examples to your needs. This template is educational and is not legal, tax, financial or professional advice.
